GLOBAL ALUMNI MEET

GLAM 2026 – Student Club Handbook

11-13 December, 2026

Dear Alumni,

Students' Alumni Relations Committee
IIM Ahmedabad

There are few institutions that remain a part of you long after you have left them. IIM Ahmedabad is one of them.

Over the years, generations of alumni have carried the spirit of this institution into different industries and corners of the world. Yet, across cohorts and decades, there remains a shared connection to these **red bricks**.

The Global Alumni Meet is an opportunity to celebrate that connection. From 11 to 13 December, we welcome alumni from across cohorts back to campus for **three days of reunion, celebration and rediscovery**. Most importantly, we hope you leave with a few new memories alongside the old ones.

Regards,

Ali Ahmed Khan
PGP Secretary, Alumni & External Affairs EB
IIM Ahmedabad

Every batch of IIMA has left something behind. A story, a tradition, a friendship, an idea, or simply a memory that has become part of what IIMA is today. This December, we get the chance to hear those stories from you, first-hand.

Across 11 to 13 December, student clubs are preparing to welcome you to a campus that we hope feels familiar, yet different. There will be alumni vs. student sporting encounters, music and karaoke, quizzes and debates, theatre and dance, art and several opportunities to simply spend time together.

We hope you will indulge us in a few friendly competitions, conversations with students, perhaps a song or two, and plenty of stories! Because while the **Global Alumni Meet** **is a celebration of everything that IIMA has been**, it is also a chance for us students to become a small part of the memories you take back with you.

So, come back to the classrooms. Come back to your batchmates. Come back to the chaos, the laughter and the red bricks!

Best,

Kshitij Sethi
Coordinator, Students' Alumni Relations Committee

Students' Alumni Relations Committee

Where legacy meets aspiration, and every batch stays connected.

About SARC

The Students' Alumni Relations Committee (SARC) is the link between IIM Ahmedabad's past, present and future. They connect alumni, students and the Institute to build relationships that outlast campus timelines, through curated events, mentorship programs, and community-first storytelling.

At IIMA, memories are made to be relived and passed on. That's the idea SARC exists to protect. Whether it's a mentor guiding a PGP1 through uncharted waters, a reunion bringing a batch back to campus after decades, or a networking session with an alum who once studied in the same classroom, SARC makes sure the red-brick network never really closes its doors.

At GLAM, **SARC** is bringing the full alumni network back into one room, quite literally. Meet the Committee that coordinates Synchrony, batch homecomings, alumni student mentorship, and the connections that make every other club's alumni moment possible.

Finesse

IIMACTS
IIM Ahmedabad Cultural and Theatrical Society

IIMActs

Where the lights go down, the masks come off, and the campus finds its voice!

About **IIMActs**

IIMActs is where the campus writes, directs and performs its own stories. Far beyond the case discussions and classroom roleplays, it is a space to express yourself for no reason other than the joy of it; to write a scene, shape a character, or find out you can hold a stage.

The stories we tell are drawn from the life around us. Writers, directors, actors and the people behind the lights come from every programme on campus, making each production something built together, for its own sake.

At GLAM, IIMActs brings the campus alive the way it knows best: through stories, laughter and a live audience. Expect a **full-length stage play** and a **street play** performed right where the crowd stands, put up by students across all the cohorts. Whether you once ran lights backstage or cheered from the front row; this one is for you!

STREET PLAY Open Air, Live & Loud

Two performances with completely different energies that you will not want to miss.
